**Dana Estates 2012 Cabernet Sauvignon Onda**

The 2012 Onda is gorgeous. Red cherry, plum, spice, mocha and new leather are some of the notes that flesh out in the glass. Dark and sumptuous to the core, the 2012 is a great introduction to the Dana house style and the pure radiance of the vintage. Onda is a blend of barrels that don't make the cut for the vineyard designates, plus fruit from a fourth site Crystal Springs, which is just below Lotus. This is a fabulous showing.
